

Residential Natural Gas Equipment and Duct Sealing Rebate Program

► Available to NYSEG and RG&E residential natural gas customers

RG&E's Residential Natural Gas Equipment Rebate program will have reached state funding and energy savings targets in early 2010. As a result, RG&E will be able to accept completed applications (accompanied by paid receipts) postmarked on or before February 28, 2010. Visit rge.com for more information.

Equipment and duct sealing must be new and installed **no earlier than July 1, 2009** to be eligible for rebate. Rebate forms are available at nyseg.com, rge.com or by visiting one of our customer service offices.
