

Powering America's energy future

NYSEG, an Avangrid company, operates more than 44,000 miles of electric distribution lines and more than 4,500 miles of electric transmission lines across more than 40% of upstate New York. It also operates more than 8,500 miles of natural gas distribution pipelines and 20 miles of gas transmission pipelines. With a commitment to the well-being of the NYSEG community, we deliver reliable, safe and efficient energy through innovation for our stakeholders.

Meet the CEO

Patricia H. Nilsen

President and CEO – NYSEG and RG&E

Patricia H. Nilsen is President and CEO of Avangrid Networks' two New York utility operating companies – NYSEG and RG&E. Nilsen joined NYSEG in 1992 in Human Resources before moving to Corporate Communications and Customer Service, and

has served in a number of high-profile leadership roles throughout her tenure.

Most recently, Nilsen was Vice President of Reliability Assistance and Emergency Preparedness for Avangrid. She previously served as Director of Emergency Preparedness, where she led crisis response to system emergencies across all eight of Avangrid's electric and natural gas companies.

Nilsen holds a master's degree in English from Syracuse University, a master's degree in adult education from Elmira College and a bachelor's degree in English and Fine Arts from Alfred University.

Working together to deliver a more accessible, reliable, safe and efficient energy model.

Agile

We act efficiently and with passion to drive innovation and continuous improvement at both the local and global level.

Collaborative

We work together toward a common purpose and mutual benefit while valuing each other and our differences.
