

Residential Natural Gas Conversion Rebate Program

Available to NYSEG residential natural gas customers located in Clinton County and approved Pilot Project areas.

How to Participate: Please use this checklist to mark off each completed step.

- **Step 1:** Equipment must be new and installed after May 1, 2017 to be eligible for the current rebate amounts listed below. Equipment must replace non-natural gas equipment to qualify.

Natural Gas Equipment Rebate List

EQUIPMENT	REBATE
Heating System Conversion ¹	\$500
Furnace AFUE ≥ 90	\$1,000
Furnace AFUE ≥ 94	\$1,500
Water Boiler AFUE ≥ 85	\$1,000
Water Boiler AFUE ≥ 90	\$1,500
ENERGY STAR Storage Water Heater ≥ 40 Gallons ²	\$500
ENERGY STAR Tankless Water Heater ³	\$500
Low Income Rebate ⁴	\$750

AFUE = Annual Fuel Utilization Efficiency | EF = Energy Factor
¹ Heating System Conversions up to \$500 not exceed conversion cost.
² ENERGY STAR tank type water heater with EF of .67 or greater.
³ ENERGY STAR tankless water heater with EF of .82 or greater.
⁴ Low Income must show HEAP eligibility for previous 12 months.

- **Step 2:** A fillable rebate form is available at nyseg.com. Complete this form and print it for mailing when your equipment has been installed. You may also call **585.484.3819** to request a rebate application.
- **Step 3:** Once your eligible equipment has been installed, complete, sign and mail the rebate application form.

- **Step 4:** Include a paid invoice(s)/receipt(s) indicating:
 - Retailer/Contractor name, business address and phone.
 - Equipment type; manufacturer and model number of **each piece of equipment**.
 - **Total installed cost of each piece of equipment.** **IMPORTANT: Rebate applications without the total cost of each piece of equipment will not be processed.**
 - Installation date and service address.
- **Step 5:** Please keep a copy of all submitted documents for your records.
- **Step 6:** Mail the completed form along with a copy of dated receipt(s)/proof(s) of purchase to:

NYSEG/RG&E Rebate Program
40 Washington Street, Suite 2000
Westborough, MA 01581

If your rebate application is complete and you meet all program requirements, a rebate check will be mailed within 4 to 6 weeks. If your application is selected for verification (see page 3, number 5), rebate processing may take additional time.

For questions regarding this program, please call **585.484.3819**.

Program Guidelines and Restrictions

1. **Natural Gas Heating Conversion Program** – Conversion rebates are available to all homeowners in Clinton County or other previously-identified pilot program areas who convert their primary heating equipment to natural gas equipment. An additional rebate is available to customers participating in the natural gas heating conversion program who have received HEAP benefits within twelve months prior to the rebate application date, and can provide a HEAP Award Letter.
2. Eligible equipment must be installed at the location corresponding to the NYSEG residential natural gas customer account number provided on this rebate application.
3. **If you are a landlord** and own the property where the equipment is to be installed, **you must call 585.484.3819 to request a rebate application**. You must also provide proof of ownership (such as a tax bill or water bill) that includes the address where the eligible equipment is installed.
4. If you do not own the property where the equipment is to be installed, you must have the right or permission from the property owner to install the equipment.
5. **If more than one of the same type of eligible equipment is installed** (e.g., two furnaces or two boilers), complete a separate rebate application for each unit of eligible equipment. **Note: Maximum rebate amount per account cannot exceed total installed price.**
6. Installations must conform to all applicable codes, standards and the rebate **Terms and Conditions** found on page 3.
7. Contractors must conduct a heat loss calculation and size any eligible heating equipment accordingly.
8. This program may be modified or terminated at any time and without notice.
9. Correction requests to rebate applications that have already been processed and paid must be made within 30 days of the date the rebate check was mailed to the customer. Correction requests received after 30 days from the mail date of the rebate check will not be honored.

Terms and Conditions

- Customer Eligibility:** Eligible customers must be residential natural gas customer of NYSEG with an active utility account or have proof of ownership of a property served by NYSEG. Equipment must replace non-natural gas equipment to qualify.
- Submission Deadline:** Rebate applications must be filled out completely, signed, accompanied by dated itemized receipt(s) and proof of ownership (when necessary).
- Equipment Eligibility:** The energy efficiency level of the eligible equipment determines the rebate amount (defined in the equipment rebate list). **The maximum rebate amount per account cannot exceed the total installed price.**
To be eligible, furnaces and boilers must be Air Conditioning, Heating and Refrigeration Institute (AHRI) or ENERGY STAR® approved. To determine if your equipment qualifies, view the ahridirectory.org or energystar.gov websites. NYSEG will provide rebates for approved equipment up to the rebate amount indicated on the equipment rebate list. Projects greater than ten units per account number require pre approval from NYSEG for rebate funds to be reserved. Call **585.484.3819** for pre approval.
Eligible equipment must be installed at the address corresponding to the NYSEG account number given on the rebate application.
NYSEG residential customers installing high efficiency equipment may also be eligible for NYSEG's Energy Efficiency Program, but are not eligible for additional incentives through any other energy efficiency programs in New York State. To learn more about NYSEDA initiatives, visit NYSEDA's website at nyserda.ny.gov/residential or call **1.877.NYSMART (1.877.697.6278 extension 2)**.
- Changes to Residential Natural Gas Equipment Rebate Program:** This program may be modified or terminated at any time and without notice. In the event that the rebate amount changes during the course of the program, the application postmark date will be used to determine equipment eligibility and rebate amount.
- Installation Verification:** Prior to or after paying any rebate, NYSEG reserves the right to conduct a site visit to verify that the installed equipment is eligible for rebate. The site visit, and all aspects related to the site visit, is conducted solely for such purpose. The site visit is not a safety review and is not intended for any other purposes. A rebate will not be paid if NYSEG is not able to conduct any required verification.
- Contractor Verification:** Eligible equipment must be installed by a licensed contractor or a contractor who has provided you with either a Federal ID (tax) number or a Certificate of Insurance. NYSEG reserves the right to confirm the validity of your contractor.
- Warranties:** NYSEG and the utility rebate administrator do not endorse, guarantee or warrant any particular contractor, manufacturer or installation. NYSEG and the utility rebate administrator do not guarantee any energy savings as a result of the purchase and installation of eligible equipment.
- Property Rights:** Rebate applicants hereby represent and warrant that if they do not own the property where the eligible equipment is to be installed, participant has the right and/or consent from the landlord or owner of the property to have the eligible equipment installed.
- Tax Liability:** Rebate recipients of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes. NYSEG and the utility rebate administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates provided by NYSEG to the customer.
- Liability & Release:** As part of the consideration for participating in the program, rebate recipients hereby release and shall indemnify, hold harmless and defend NYSEG and the utility rebate administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high efficiency equipment at the premises or any material and labor required for such installation.
