Section 3 Acknowledgement

By its signature below (or signature of a duly authorized representative if customer is an entity such as a corporation or a partnership), customer makes the following acknowledgments and certifications:

- Property owner agrees to participate in the NYSEG/RG&E Multi-Family Energy Efficiency Direct Install Program and understands that this program provides complimentary products and installation of LEDs and smart power strips for customers with electric service, shower heads, faucet aerators for kitchen and bathroom sinks and pipe wrap for customers with qualifying water heating fuel sources, per each residence at no additional charge. Qualifying water heating fuel sources are electric heating for electric customers and natural gas heating for natural gas customers.
- Property owner agrees to work with the NYSEG/RG&E Multi-Family Energy Efficiency Program implementation contractor, Franklin Energy. Property owner agrees to notify its residents of the program participation, to provide personnel to escort Franklin Energy technicians throughout the property, and to provide access to all units or residences when the resident is not home or the residence is unoccupied. Any products or pieces of equipment installed as part of this program are not eligible for incentives under any other NYSEG/RG&E or NYSEERDA program.
